

**Green Valley Women Golfers
Board Meeting – October 5, 2010**

Members in Attendance – Cindy Hamilton, Lynne Waslohn, Joann West, Julie Osborn, Diane Thompson, Linda Brooks, Sue Teakle, Joan Mumaugh.

Meeting was called to order at 2:05 p.m. by Cindy Hamilton, Captain.

Minutes from September meeting were read and approved.

Rally for the Cure

Discussion was held as to whether to do Rally for the Cure again next year for the Charity tournament. A 50/50 raffle was suggested as another option, but the consensus of opinion was that the Rally was very successful this year and required almost no effort on the part of the Women's Group and should be considered as the charity tournament again next year. It was decided to do Rally for the Cure next year on a regular play day and invite the 9ers to participate again.

Gold Cup

While we had expected to pay for half the cost of the balls this year, the Senior men took care of it, so we will provide the balls next year when our group hosts the tournament.

October Guest Day

More participants are needed for Guest day next Tuesday.

Captain's Tournament

Participation was good this year and all went well.

General Meeting – October 19

Additional agenda items were requested by the Captain as the only real topic for discussion is election of officers for next year.

Junior Golf

We have been asked by WGANC to contribute to junior golf. However, since we already sponsor a junior golf tournament, we will decline the request.

Imprinted Golf Balls

New golf imprinted golf balls need to be ordered if we are going to continue to use them for guest days, etc. Many people do not like playing with the Calloway balls and the imprinted ones cannot be returned for credit by our members. The feeling was expressed that many guests like to get imprinted balls. It was suggested that balls with the imprinted Green Valley logo be used for guests and members receive credit in the pro shop. It was decided to bring this issue up at the general meeting for feedback from other members.

Shirley Walp Ace of Aces

There was discussion about dropping "Shirley Walp" from the Aces of Aces tournament name. Several of our members wish to continue to honor her as the first Green Valley women's champion. A suggestion was made to name the Club Championship after her. It was decided to bring this matter before the membership at the general meeting.

Home and Home

Green Valley will host one home and home next year on August 23 and invite all five clubs.

Team Play Clothes

Team play clothes will be in the pro shop within the next week for selection. There should be sample sizes as well.

Meeting was adjourned at 3:00 p.m.

Respectfully Submitted,

Lynne Waslohn, Secretary
