## NEWS FLASH

**SENIORS:** This is starting to be the critical time of year for your college application process. College Reports are due and your organizational skills will be tested. Online applications usually do not require an “official transcript” to be sent. You can use an “unofficial transcript” (a transcript copy for your use) for the online process. College applications that are brought in for your counselor to complete will have an “official transcript” included so YOU do not need to request one also. Please supply a stamped envelope for mailing these items. Please read your application instructions thoroughly so you don’t miss an important piece of information, **for example the deadline date!** Remember your application is not the only request to be processed. If you have any questions, please see Mrs. Shoemaker in the main office or your counselor. – Shoemaker
